

The Healing Touch of Faith

Mark 5:21-43

A Desperate Father (21-24)

Faith motivates us to go to any length to intercede for others

A Desperate Woman (25-34)

Faith leads us to step out of the shadows and seek help

A Desperate Daughter (35-43)

Faith encourages us to keep believing

Faith steps

Each one of us has different degrees of faith. God asks us to trust him with the faith we have.

Faith opens the door to the power of God.

Faith shows persistence in overcoming any obstacle.

Faith is demonstrated in action.

Faith desperately believes that Jesus is sufficient to meet whatever needs we might have.
